2021-2022 United Way President

**Terry Haus**

Each of us measures what it is to **Be Great** in different ways. Please take a moment and think about how you can be great in *your* life. Then think about how your donation will bring a smile to someone's face as you helped them achieve their "Great"!

Through the generous donations of people like you, our 32 partner programs are able to provide people in our community resources to positively affect their life. Those resources, that many of us take for granted, help people in their desire to be great.

We each possess the ability to **Be Great** every day—a great parent, friend, child, student, sibling, coworker, grandparent,—the list goes on and on! Hopefully as you read this, a smile comes to your face as you think about all the great people in your life.

*"The greatness of a man is not in how much wealth he acquires, but in his integrity and his ability to affect those around him positively." — Bob Marley*
